

# Fahiz Rahman

UI/UX Developer

## About me

"As a web developer, I am passionate about creating clean, user-friendly websites that provide an exceptional user experience. I have a strong attention to detail and enjoy working on complex projects that challenge me. I am always eager to learn and keep up-to-date with the latest technologies in web development. I am confident that my skills and experience make me a strong candidate for your team."

## personal

Fahiz Rahman  
nationality: Indian  
2002

## Areas of specialization

HTML • CSS • JavaScript  
• React

## Interests

In my free time, I enjoy hiking, swimming, and attending coding meetups in my community. I am passionate about staying up-to-date with the latest web development trends and learning new coding techniques. I am also an avid traveler and enjoy exploring new cultures and cuisines.
